POSITION DETAILS

Restore Therapy is hiring a skilled Licensed Child Therapist to play a central role in the delivery of mental health care to children in the greater Portland area. The Child Therapist will deliver evidence-based psychotherapy to 19-23 clients per week that are a good match for their specialty and expertise.

The ideal candidate will be feel confident working independently as well as within a group practice team environment. They will demonstrate expertise in their speciality and a love for continual professional growth. The candidate is seeking a job that promotes professional sustainability, autonomy, flexibility and self-care as an avenue to live a balanced life, further their career and maintain strong client outcomes.

Duties

- Provides exceptional evidence-based psychotherapy to a caseload of children.
- Works in collaboration with community providers and clinicians at Restore to serve their clients.
- Comfortable serving highly vulnerable clients and working with people who have serious mental health needs.
- Maintains strong ethical boundaries when working with clients and a clinical team.
- Communicates with admin team to plan and manage needs of their clients. Provides case management with clients as necessary
- Embodies the mission, vision of Restore Therapy to provide access to quality care to all populations.
- Communicates about professional, privacy and financial policies with clients confidently.
- Takes initiative in setting professional development goals and displays passion and leadership for their field of expertise.

Qualifications

- **Licensed mental health professional: LCSW, LPC, LMFT, PsyD, PMHNP**
- 2 years+ experience providing child psychotherapy as a licensed practitioner in pediatric mental health clinic or hospital setting.
- Early childhood and latency age experience. PCIT experience a plus.
- COVID Vaccination required.

NEW JOB POSTING AT RESTORE THERAPY

LICENSED THERAPIST SPECIALIZING IN COLLABORATIVE PROBLEM SOLVING
